

It's time to learn the basics **SCIENCE CAMP**

Saturday

9-11am

**Age 6-10 years old
NV Way Rec Bldg (DWP)**

\$20

New material for each camp

Camp Dates

September 9

October 14

November 4

December 9

January 13

February 10

In these science camps you will do hands-on experiments in chemistry, physics, biology and more. You will discover just how incredible math and science can be. Instructor JENNY BALLIF has a bachelor's degree in crop science and a master's degree in plant science with an emphasis in molecular biology.
