

It's time to learn the basics **SCIENCE CAMP**

Saturday

9-11am

**Age 6-10 years old
NV Way Rec Bldg (DWP)**

\$20 + \$5

material fee paid to the instructor

Camp Dates

9/10

10/8

11/12

12/10

1/14

2/11

SCIENCE CAMP In this 2-hour science camp you will do hands-on experiments in chemistry, physics, biology and more. Come learn why balls bounce, how electricity works and why clouds form. You will extract DNA from strawberries, make balloon rockets, and do many other experiments that show just how incredible math and science can be. Instructor **JENNY BALLIF** has a bachelor's degree in crop science and a master's degree in plant science with an emphasis in molecular biology.
