# The Boulder City Historic Preservation Committee invites **NOMINATIONS** for the annual Boulder City Historic Preservation Award

## for Boulder City's Historic Preservation Day

Since 2011 the Historic Preservation Committee and the City Council have granted an annual Historic Preservation Award (a plaque and certificate) to a building or property within the Boulder City Historic District (map above). This year the Committee is accepting nominations from the public for consideration. The Committee will select the property from the nominations received and the award will be presented by the City Council in May, during National Preservation Month. Nominations will be open through Monday, April 10, 2017. The award will be presented at the City Council meeting on Tuesday, May 9, 2017.

### Criteria for nominations:

- The property must be within the Historic District. (Addresses can be found on the *Historic District Map Registry* on the City's website at [bcnv.org](http://bcnv.org), Community Development Department, Historic Preservation, Preservation Documents)
- The award is based on the exterior of the building/property, as readily visible from the street.
- The award is open to all properties (residential, commercial, institutional, religious, parks and so on).
- The award can be either for a historically appropriate remodel or addition, or simply an excellent example of preservation or restoration.
- The award will not be based on the number of nominations for a property.

### Requirements for nominations:

- Property address (for homes) and/or current business/church/institution name.
- Any property can be nominated by any person (not just for property you own).
- Although not a requirement, submission of BEFORE & AFTER photos will be of assistance to the Committee (for remodels or additions, or even for examples of restoration or excellent maintenance).

Nominations can be submitted online or in person or by mail to the Community Development Department, City Hall, 401 California Avenue, Boulder City NV 89005. For online submittal go to [www.bcnv.org](http://www.bcnv.org); on the left menu bar click on "Historic Preservation Award Nominations" and proceed per the instructions there. The winners of the previous awards can also be found on the City website from the same information page.

The Committee looks forward to receiving your nominations!
