ADVISORY BALLOT QUESTION _____
City of Boulder City

This question is advisory only: Do you support the operation of Off Highway Vehicles (OHV) on City Streets pursuant to NRS 490.100?

Yes []

No []

EXPLANATION

The City Council of Boulder City is asking, through this Advisory Ballot Question, if the voters would support the operation of Off Highway Vehicles (OHV) on City Streets pursuant to NRS 490.100.

This is an Advisory Question only and the result of the voting on this question does not place any legal requirement on the City of Boulder City, any member of the Boulder City Council, or any officer of the City of Boulder City.

A "YES" vote would indicate support for the operation of Off Highway Vehicles (OHV) on City Streets pursuant to NRS 490.100.

A "NO" vote would indicate no support for the operation of Off Highway Vehicles (OHV) on City Streets pursuant to NRS 490.100.

Because an advisory question does not place any legal requirement on the City of Boulder City, any member of the Boulder City Council, or any officer of the City of Boulder City, the success of an advisory question does not mandate action or automatically codify the question being asked. Additional formal steps must be taken by the City Council to codify the will of the electorate in the event that the Advisory Question is successful.
