**Boulder City Police Department Reminds Drivers to Watch their
Speed Over the Fourth**

BOULDER CITY – During the Fourth of July weekend, many of us will be celebrating and having fun with family and friends. Getting to and from our destination safely is a top priority. Starting June 28, 2019 and running through Sunday, July 14, 2019 Boulder City Police Department will be on the lookout for speeding drivers on the roads. Boulder City Police Department is once again **“Joining Forces”** with our regional partners to make sure drivers are being safe and keeping the speedometer within the posted speed limit.

According to the National Highway Traffic Safety Administration, in 2017, speeding accounted for more than a quarter of all traffic fatalities that year. The Boulder City Police Department, along with other agencies throughout the Valley, will be conducting extra patrols during this period. Drivers are urged to slow down and drive with caution so they can arrive alive. Citations for speeding can cost \$200 or more and impact your insurance premiums.

“Some of the most horrific crashes I’ve encountered as a Law Enforcement Officer have been due to speed,” said Boulder City Police Chief Tim Shea. “Our officers have pulled over drivers on I-11 driving more than 100 miles per hour, which could have deadly outcomes if the vehicle collides with another.”

Boulder City Police Department received a \$42,500 grant from the Nevada Department of Public Safety, Office of Traffic Safety to support participation in **“Joining Forces”** traffic safety campaigns during the year. The City of Boulder City wishes you a happy Fourth of July with fun, festivities, and safe travels.
