YOUTH CENTER SCAVENGER HUNT

The Boulder City Youth Center is a fun, exciting place where kids can be kids in a supervised environment. We offer entertainment from pool & video games to cooking & sports. We also venture out into the world on awesome field trips. If you are struggling with homework, then stop in to the homework room after school & get the help you need. The Youth Center is more than just fun & games, it's a place for children to develop new relationships & grow into young adults. All that is needed to start your adventure is a Release of Liability form filled out by a parent or guardian returned to the Youth Center.
