Excavation Permit

ENGINEERING DIVISION NOTES

Inspections are required. Schedule online 24 hours in advance at <http://www.bcnv.org/299/Off-Site-Inspection-Request>. Your permit, approved plans and barricade plans for this work must be on the job site at all times.

Exact location of all saw cut lines shall be determined in the field by a Boulder City representative.

Final asphaltic concrete (AC) pavement surfaces shall be one-fourth (1/4") inch above the lip of the gutter, unless otherwise noted.

All off-site improvement construction shall conform to the Design and Construction Standards for Wastewater Collection Systems (DCSWCS), Uniform Design and Construction Standards (UDACS), and Clark County Area Standard Specifications and Drawings, latest revision, Boulder City adopted code and Boulder City Addenda. All located at <http://www.bcnv.org/302/Construction-Standards>.

Private streets, curb and gutter and valley gutters reflected on approved plans are to be inspected by a Boulder City Representative.

Sidewalk ramps shall be constructed in each quadrant of an intersection per Standard Drawing 235.

Applicant represents and warrants to the City the following:

1. It shall timely perform the excavation in accordance with the permit, the drawings and specifications, all applicable laws, rules and regulations, and the construction standards adopted by the City of Boulder City, Nevada, as amended from time to time.
2. It shall diligently prosecute the excavation to its final completion within the time authorized under the permit.
3. It shall guarantee its excavations against all defects in workmanship and materials for a period of one year after final completion.
4. It shall repair any portion of the pavement or surface of any public way excavated under the warranty set forth in note 3 above, if defects in workmanship or materials occur within the warranty period, and shall make such repairs within five days of written notice from the city engineer stating the repairs necessary.

RELEASE

Permittee agrees to and shall release the City, its agents, employees, officers, and legal representatives (collectively the "City") from all liability for injury, death, damage, or loss to persons or property sustained in connection with or incidental to performance under the permit, even if the injury, death, damage, or loss is caused by the City's actual or alleged joint or concurrent negligence and/or the City's strict products liability or strict statutory liability.

INDEMNIFICATION

Permittee agrees to and shall defend, indemnify, and hold the City, its agents, employees, officers, and legal representatives (collectively the "City") harmless for all claims, causes of actions, liabilities, fines, and expenses (including, without limitation, attorney's fees, court costs, and all other defense costs and interest) for injury, death, damage, or loss to persons or property sustained in connection with or incidental to performance under this permit, including, without limitation, those caused by:

- i. Permittee's and/or its agents', employees', officers', directors', principals', or subcontractors of permittees' (collectively in numbered paragraphs (i)-(iii), "Permittee") actual or alleged negligence or intentional acts or omissions;
- ii. The City's and Permittee's actual or alleged concurrent negligence, whether Permittee is immune from liability or not; and
- iii. The City's and Permittee's actual or alleged strict products liability or strict statutory liability, whether Permittee is immune from liability or not.

Permittee shall defend, indemnify, and hold the City harmless during the term of the permit and for four years after the permit terminates. Where applicable, the provisions of the Boulder City Code shall control in lieu of the foregoing; additionally, to the extent that the applicant holds a current and valid utility franchise from the City, the release and indemnification provisions of the franchise shall control in lieu of the foregoing.

Each applicant (owner and/or contractor) on behalf of itself and any contractor acting on its behalf shall comply with all responsibilities, requirements, standards and specifications, warranties, terms and conditions, releases, and indemnification provisions, set Boulder City Code and the Rules and Regulations promulgated there under.

I hereby certify that I am the contractor or duly authorized representative of the contractor whose name appears on this application and I am fully authorized to bind the owner in executing this application. Excavation will be made in accordance with chapter 9-1 of the City Code of Boulder City. I have read and understand all of the above information.
