**ENGINEERING DIVISION NOTES**

The permittee shall not make or install any improvements, obstructions, or structures that create a violation of law under the Americans with Disabilities Act. A 48" wide minimum walkway clearance is required. Failure to insure proper clearance can result in revocation of permit.

**RELEASE**

Permittee agrees to and shall release the City, its agents, employees, officers, and legal representatives (collectively the "City") from all liability for injury, death, damage, or loss to persons or property sustained in connection with or incidental to performance under the permit, even if the injury, death, damage, or loss is caused by the City's actual or alleged joint or concurrent negligence and/or the City's strict products liability or strict statutory liability.

I hereby certify that I am the OWNER or duly authorized representative of the resident/business whose name appears on this application and I am fully authorized to bind the owner in executing this application. I also certify the obstruction/encroachment will be made in accordance with Chapter 15 of the City Code of Boulder City. I agree to maintain the obstruction area, keeping it safe, clean and in good repair including dumpsters, pods, building and landscape materials, etc. I also agree to maintain a minimum walkway width of 48-inches upon public sidewalk, including clearance at all ramps, crossings and doorways and a 24-inch minimum from edge of curb to project.
