## Smart Controller Rebate Program Eligibility Requirements

The Smart Controller Rebate Program is available to all Boulder City residential water customers. The following eligibility requirements apply:

1. To be eligible for a rebate, the system must be in an existing home in the Boulder City electric service territory.
2. A completed rebate application form must be submitted within **90 days** of the installation date.
3. A dated contractor invoice, if a contractor was used, will be required as proof of installation date.
4. Residential purchasers of qualifying equipment may be subject to an on-site inspection by a Boulder City representative to verify equipment is properly installed and operational.
5. Rebate amounts are \$75 per controller or fifty percent off the MSRP, whichever is less.
6. Customers must fulfill all program guidelines and submit a complete rebate application form and all applicable transactional data to be eligible for incentives.
7. Submit all documents described in the Submittal Checklist below.
