## Nevada Prepaid Tuition Enrollment Open

The 2020 Enrollment Period for the Nevada Prepaid Tuition Program is now open! Prepaid Tuition provides a convenient and affordable way for families to save and pay for higher education by locking in the cost of in-state tuition today, for use in the future. The program is one of only 11 Prepaid Tuition programs in the country, and has helped over 21,000 Nevadans pursue higher education affordably since its creation in 1998.

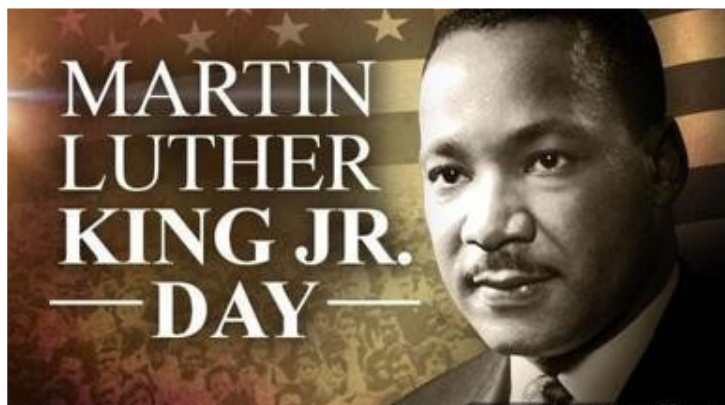

Prepaid Tuition contracts can be used to pay for tuition at Nevada System of Higher Education institutions or transferred to pay for tuition at eligible public or private colleges and universities across the country (at an amount up to Nevada's in-state tuition). Nevada's program offers a variety of plans from community college to university. This year's enrollment period is open until March 31, 2020 and has been made more affordable by keeping this year's rates the same as 2019.
