Last days of 2020 Census are Here!

Help Boulder City and the rest of Nevada get its fair share of federal funding for education, health care, community resources, and more today. There are just 16 days left to fill out your census questionnaire. The Census asks 10 questions about each person in a household:

1. Name
2. Phone number
3. Age
4. Sex
5. Hispanic Origin
6. Race
7. Relationship to Householder
8. Household Tenure/Ownership
9. Number of Persons in Household

10. Additional Residence Location (This question asks if the person has a usual home elsewhere so that folks are not double-counted. The Census is counting "one person, one time, one place" to ensure fair representation.)
