BOULDER CITY – In September, the City Council of Boulder City set aside federal funds from the COVID-19 Aid, Relief, and Economic Security (CARES) Act Relief Funds for local businesses. Many businesses located within Boulder City with a current business license can apply for a grant using federal CARES Act Relief Funds. A total of \$190,000 will be available to provide operational support to small businesses.

MEETING LOCATION:
CITY COUNCIL CHAMBER
401 CALIFORNIA AVENUE
BOULDER CITY, NV 89005

"The City recently received the initial distribution of CARES Act funding Congress approved earlier this year", said Boulder City Mayor Kiernan McManus. "The City Council recognizes the challenges we all face in dealing with this pandemic and increased the recommended funding for these grants to support our local businesses." The City Council also approved grant funding for local non-profits to assist local residents and the Senior Center.

MAILING ADDRESS:
401 CALIFORNIA AVENUE
BOULDER CITY, NV 89005

Eligible grant uses include working capital (rent, utilities, inventory, payroll, license fees, etc.) or the purchase of supplies and equipment (personal protective equipment, sanitizers, plexiglass partitions, etc.) to protect customers and employees and slow the spread of the virus. "Most businesses could not have planned for the enormous impacts of COVID-19," said City Manager Al Noyola. "We are hoping businesses can use this funding to recoup some of the losses they've faced over the past eight months."
