

City Code and Dogs: An Informational Meeting

One of the most common complaints to Boulder City Animal Control is dogs running off leash. Dogs have attacked humans, other dogs, run into the street, and in one case, a dog killed a smaller dog when the owner failed to restrain the larger animal. Due to the number of complaints and concerns about the vague code language currently on the books, Boulder City Police Department and Animal Control will be holding a public information meeting this month. The purpose is to receive input, hear concerns, and to discuss possible proposed changes to the City Code in relation to animals running at large. You must RSVP, and attendance will be limited by the required COVID-19 restrictions. The meeting will be held Tuesday, November 17, 2020 at 6:00 p.m. at the Smith Building, 700 Wyoming St., Boulder City. This meeting will not be recorded or streamed online. RSVP by calling Hillary at

Boulder City Police Department at 702.293.9214. Submit written comments at animalcontrol@bcnv.org.
