Scenic vistas, cool creeks, colorful wildflowers, and smooth beach bunkers add to the lure of this unique golf course."*

## Changes coming to RTC's service in Boulder City

The Regional Transportation Commission of Southern Nevada (RTC) is proposing the creation of Route 221 (Cactus/Horizon Ridge/Boulder City), serving Cactus & Mountain's Edge area, traveling east-west across the southern end of the service area, and continuing to NV State College & Boulder City. This route replaces Route 402 (Henderson / Boulder City). To provide more direct connections to Boulder City & CSN Henderson from a larger portion of the Valley, Route 402 will be partially replaced by new Route 221 to Railroad Pass, Boulder City, CSN Henderson, and along Horizon Drive. Other portions of the current Route 402, north of Horizon Drive, will not be replaced. But, service will remain available via other routes at or near all stops along the current Route 402. Learn about the

proposed changes and share your feedback by May 31 at [rtcsonv.com/servicechange2021](https://rtcsonv.com/servicechange2021).
