You will dance your first night! Square Dance and Contra Dance have common roots. Eileen and Ned are coordinating the lessons so the figures taught are used in both forms of dance. Ned Newberg has called Square Dancing for over 25 years, and has experience with both refresher and new dancer classes. Ned says "my goal is for the dancers to have fun. If the dancers are having fun, then we all succeed". Social Square Dancing is a program for fun level dancing that puts dancers in fun mode the first night.

Eileen Hug has taught folk dancing for over 20 years. Eileen started calling contra six years ago for the monthly contra dance.

The figures used for Contra Dancing will be taught each night as needed for the dances. Basic Contra formation will be taught from 6:30 to 7:00 prior to dancing.
