

Employee of the Year—Itzel Reyes, Community Development

Congratulations to Itzel Reyes, Boulder City’s 2021 Employee of the Year! Itzel had been nominated previously. Here is a little about what was said about her:

“Itzel’s service to the organization and the community serves as a great role model for others and is worthy of the recognition. This year’s nomination is even more noteworthy because of the great work she has provided to the department during a very challenging year.”

“Itzel has been critical to the Department during the dual challenges of COVID and staff vacancies. She ensured important functions were always being addressed with a positive attitude, despite the resource challenges she had to face in the office.”

“With each obstacle, she viewed it as a new challenge and using her problem-solving skills found a way to rise above it. Always a hard worker, team player and devoted employee, Itzel is a great asset to the department and to the organization.”

Seven employees were nominated this year. Next year’s program will be changing; watch your email for details. Boulder City is fortunate to have some of the hardest-working individuals providing our services and programs. Thank you for all you do!!
